OPEN YOUR EYES : OPEN YOUR MIND

## Home Lab

It's not magic, it's science. An edutainment sitcom about a teenage scientist and her friends. The dream of every curious teenager, a home lab in the garage, is a reality for this girl. There, accompanied by her crazy family they explore the fascinating world of science with everyday tools and ingredients found at home. Crazy experiments, fun problem solving and hunting down the answers to some really interesting questions. Hands-on approach to scientific learning with great support platforms.
