OPEN YOUR EYES : OPEN YOUR MIND

## Lonely Hearts Club

This format features ordinary people on their search of love and their mission to find the right partner. All protagonists give us an inside view into their personal life, revealing small but important details about their view of life. Sometimes these views can be tragic, most of the time they are entertaining. A real look at the trials of searching for that special someone.

One of Austria's most watched shows now in the 15th season.
